The general intended purpose of the emergency grants is to provide eligible students with emergency financial aid grants to help cover expenses related to the disruption of campus operations due to the coronavirus. This is not a loan. These are grant funds provided by the federal government and do not have to be repaid. Expenses related to the disruption may be in the form of food, housing, course materials, technology, health care, and or child-care.

The Salon Professional Academy defines an eligible student as one who was enrolled in the Academy as of 3/27/2020 and was either actively participating in distance learning, placed on LOA because he/she was unable to participate in the new distance education training or started a new program under distance learning training. Eligible students must be enrolled in a Title IV approved program i.e. Cosmetology, Barbering or Esthetics. If a student was on an LOA prior to the pandemic, or if the LOA is unrelated to the coronavirus (due to pregnancy, for example), then the student is not eligible for the HEERF grants.

Your HEERF Grant award amount has been determined based on U.S. Department of Education guidelines, institutional student selection, and the amount of funds allocated to the institution. This HEERF Grant does not have any effect on any lifetime eligibility limitations regarding Federal Pell Grant or Federal Direct Loan awards made under the Title IV federal student aid programs.

You will be receiving a check in the amount of \$269.96 from The Salon Professional Academy within the next 5 business days. - The following is a notification sent to student who could be eligible for HEERF grants if they file a 2019-2020 FAFSA:

Dear [FNAME] ,

President Trump signed the CARES Act (Coronavirus Aid, Relief, and Economic Security Act) into law on 3/27/2020. The Act provides institutions with emergency assistance to students through the Higher Education Emergency Relief Fund (HEERF). The general intended purpose of the emergency grants is to provide eligible students with emergency financial aid grants to help cover expenses related to the disruption of campus operations due to the coronavirus. This is not a loan. These are grant funds provided by the federal government and do not have to be repaid. Expenses related to the disruption may be in the form of food, housing, course materials, technology, health care, and or child-care. This is not an income based grant like the Pell grant. It is strictly related to the Coronavirus crisis.

If you wish to benefit from the HEERF grant please file a 2019-2020 FAFSA. Please contact Ms. Jessica in the Financial Aid office for more information on how to complete your FAFSA. She can be reached at 833-8772 ext. 101 or jessica@tspabuffalo.com.
